Flower City Warrior Hockey is providing a healthy and active outlet dedicated to those who have sacrificed so much for our country. This year, we hope to attend one of Warrior Hockey's premier events in Las Vegas, Nevada. Your support will go towards helping our team travel and participate in this tournament. It will make a significant impact for veterans in our community with a once in a lifetime trip that brings military veterans together from all over the country to participate in competitive sport.

Without the support people like you we would not be able to bring every veteran to this event. The volunteers and board members that support our team freely give their time to help care for these expenses, organize events, and manage the team. Our passion for the game in providing a place for our local veterans to be accountable and belong is 100% volunteered.

Your donation will go exclusively to any of these expenses below, with an absolute \$0 overhead cost from your donation.

I would like my gift to be used in support of:

_____ Lodging (\$250/per player)

_____ Tournament Registration (\$200/per player)

_____ Flight and Transportation (\$550/per player)

GOLD SPONSOR (\$5000+) – Signed Team Jersey and Warrior Hockey Chair

SILVER SPONSOR (\$1000-\$4999) – Warrior Hockey Chair

BRONZE SPONSOR (\$100-\$999) – Team Signed Certificate of Appreciation and Bottle Opener

Please make checks payable to Mark Hansen and mail to the address above. Venmo or PayPal donations can also be accepted, but please email Mark at medevac1sg@gmail.com or flowercitywarriorshockey@gmail.com first.
